Enlightening experience for the entire team...

"I just wanted to take a moment to thank you for the wonderful time we all had. It was an enlightening experience for the entire team. Not only did we have an opportunity to gain some valuable team skills, but we were able to have a fun time together outside of the pressures of the office. The guys went on and on about what a good time it was and how terrific you and Nat are!! Thank you so much for helping me make this a great experience to remember for our team."

I have chosen to take our youth groups to Dagaz...

"I'm a true believer in the positive (sometimes life changing) impact that a high ropes course/zipline tour can have on a person. As a former ropes course manager I know how important it is to have the right people on hand to facilitate. I have chosen to take our youth groups to Dagaz because of their professionalism and the care they take with each participant."
