

A 50% deposit of the estimated total amount due is required in order to hold the date for your group. This is a non-refundable deposit since once we take that date off the calendar it prevents us from letting anyone else take that time frame.

Two weeks prior to the event the remaining balance is due.

If your number increases, please contact us as soon as you know. You can pay the additional on site with either cash or credit card. Do keep in mind that if your number decreases, there is no refund. We have allocated staff and resources for that time frame using the numbers you provided.

If you book your group within the two (2) week time frame of your event, the full amount is due at that time, and there are no refunds. Please bring our waiver with you already filled out and signed. Each individual should have their own. Adults need to sign for those under 18 years of age.
